DART 4 x 110mm SDS+ Cross Tip Hammer Drill Bit

A quality cross-head design SDS+ Hammer Drill Bit, for accurate, rounder holes and longer life. The Cross-head design ensures all 4 cutting edges work at the same time to provide an even drilling action. Deep precision clearways allow waste to discharge away from the cutting edge, avoiding trapped material and resulting in longer tool life. Suitable for use in reinforced concrete, concrete, masonry and natural stone.
