

For Drills / Driver Bits

DART 11 x 65mm Magnetic Impact Nutsetter – Pk 1

A range of premium magnetic nutsetters for fastening bolts, screws and nuts. 1/4" hex quick change shank is designed to work with impact drivers and reduces slipping in standard drill chucks. Rare earth magnets hold fasteners securely with four times the hold of standard magnets. Lobular design drives fastener on the side instead of the corner for less stripping and longer life.
